

## Dedman Deaths in Australia

This index lists people with the surname Dedman, Deadman and some variants whose deaths have been registered in Australia since the mid-19<sup>th</sup> Century. There are no deaths listed after 1985, as these are not at present made public by the Australian authorities for personal privacy reasons.

The information has been drawn from sources in Australia, and I am most grateful to those who have worked to provide me with the data. There is a large volume of information from New South Wales, rather less from the other States and none from the Northern Territories, but this may simply reflect the distribution of the Dedman name and variants.

The information provided cannot be guaranteed to be either complete or accurate, but is given "as is", in good faith. Input from other researchers will be most welcome.
