

Dedman Births in Australia

This index lists people with the surname Dedman and Deadman and some variants of these whose births have been registered in Australia since the mid-19th Century. There are no births listed after 1928, as these are not at present made public by the Australian authorities for personal privacy reasons.

The information has been drawn from sources in Australia, and I am most grateful to those who have worked to provide me with the data. There is a large volume of information from New South Wales, Victoria and South Australia, rather less from the other States and none from the Northern Territories, but this may simply reflect the distribution of the Dedman name and variants.

The information provided cannot be guaranteed to be either complete or accurate, but is given “as is”, in good faith. Input from other researchers will be most welcome.
